the call stated two to three males broke into the reporting party's home, armed with guns.

When officers arrived officers contacted two victims, [REDACTED] and [REDACTED]. Officers checked the residence, but the suspects were not inside and had already fled the scene.

The victims advised officers they were each in their own separate bedrooms sleeping when three masked men suddenly kicked in their doors, held a gun to their heads and demanded money and drugs.

[REDACTED] advised officers he occupied a room in the basement level of the residence and was sleeping when his door was suddenly kicked in by a male who was dressed all in black, wearing a ski mask over his head and was armed with a pistol with a laser. The suspect held the pistol to his head, demanded money and drugs then began rummaging through his room, going through his belongings.

[REDACTED] advised he was sleeping in his room, which was located upstairs, when his door was also kicked in, but by two suspects. One suspect placed a gun to his head and the other began rummaging through his room. Both were also demanding money and drugs and both were also wearing dark clothing and had ski masks over their head. [REDACTED] further advised officers the suspect that rummaged through his room grabbed three kitchen knives that he had on his shelf, held them to him and continued demanding money and drugs. The two suspects took his wallet (which contained all of his personal identifications documents) then ordered him to go to [REDACTED]'s room and forced him there.

[REDACTED] and [REDACTED] advised officers after [REDACTED] was brought into [REDACTED]'s room the suspects ordered them to lay face down on [REDACTED]'s bed and to count to fifteen. As they counted they heard commotion upstairs, then silence. After about ten minutes they then called the police.

Officers checked the residence and discovered a window on the south side of the house, which was unsecured and had the screen and metal security frame removed. The window, which lead into the basement kitchen, appeared to be the entry point. On the window cell there was a fresh footprint, that appeared to be to a Nike brand sneaker and was approximately ten to twelve inches in length. There was no damage to the window and it appeared that it may have not been locked. Officers checked the window for any signs of fingerprints, but none were located or identified.

As officers checked the residence officers also discovered the suspect's forced entry into another room, belonging to [REDACTED] who was not home during the incident. [REDACTED]'s room was also rummaged through and ransacked. The suspects also destroyed a metal screen security door that secured the upstairs living

room. The door had been forced, was completely taken off the frame and hinges and appeared to have been thrown out of the way, as it was discovered laying on the stairwell that connected the basement to the upper section of the house.

As officers continued checking the residence officers located all three knives that [REDACTED] told officers were in his room and used against him during the incident by the third suspect. All three knives were fixed blade kitchen knives, one having a yellow plastic handle and about six inches in length, the other having a wooden handle and being about ten inches in length and the last one a butcher knife about twelve inches in length and having a black plastic handle. The yellow knife was located in [REDACTED]'s bedroom, while the wooden handle knife was located on the stairwell (just outside of [REDACTED]'s bedroom) and the butcher knife was located outside of the residence, in front and on a rock bed next to the drive way.

Officers conducted an area check for the suspects, to include a K9 track. The area check and track efforts were unsuccessful and it is unknown which direction the suspects departed in.

Sgt Johnson responded to the scene and screened the incident. Sgt Johnson notified the SPD Robbery Unit and screened the incident. SPD Robbery Unit responded to the scene and took over the investigation.

Neither [REDACTED] or [REDACTED] were injured during the incident and declined any medical attention.
